MINI-HOLIDAY

Experiences, nature and pampering are at the top, but the price is low.

Trinity has a front row view of one of the most beautiful spots in Denmark. We overlook the Little Belt, which offers whale watching and lovely sailing trips. A short walk or bike ride over the old bridge will lead you to the beautiful Nature Park Hindsgavl Deer Park, with its many wild deer.

In the local area, you'll also find attractions like Fredericia's Rampart, Bridgewalking, Clay Museum of Ceramic Art, Koldinghus and Trapholt.
